### **PC Construction Gives Back in Greater Atlanta with Annual Contest**

*Public asked to vote, \$15,000 in total given to top three nonprofits*

**Atlanta, Ga.** – PC Construction, among the nation’s largest employee-owned construction companies, today announced the Top 10 nonprofits for its first 2017 “Building Communities” giving program. The organizations, which all support the Metro Atlanta Community, were selected by the company’s nearly 1,200 employee-owners.

Over the next three weeks, the public will have the opportunity to vote to determine the three winning organizations. The top three vote-getters will receive \$10,000, \$3,000 and \$2,000 respectively. Voting opens on July 24 at [www.pcconstruction.com/donations](http://www.pcconstruction.com/donations). This is the seventh round of the crowd-sourced giving program in which over 65,000 votes have directed more than \$100,000 in donations.

“PC Construction has been a part of the fabric of the Metro Atlanta area for three decades,” said Kevin McCarthy, president and CEO of PC Construction. “Our employee-owners live here and work every day to help strengthen our community’s infrastructure. This contest is just one way for our company to give back by helping support the tremendous nonprofits that provide resources and services to those in need in the community.”

To help PC Construction give back, go to [www.pcconstruction.com/donations/](http://www.pcconstruction.com/donations/) and vote for one of the following organizations:

- [Atlanta Children’s Shelter](#) – Provides care, education and support for homeless children and focused social services for their families
- [Camp Kudzu](#) – Makes life better for children and teens living with Type 1 diabetes

- [Chattahoochee Riverkeeper](#) – Restores and protects the Chattahoochee River, its tributaries and watershed
- [CHRIS 180 \(formerly CHRIS Kids\)](#) – Serves children in foster care with challenges stemming from trauma
- [Cool Girls](#) – Provides support and empowers girls in eight schools in DeKalb and Fulton Counties
- [Families First](#) – Provides core programs and services for Atlanta’s most vulnerable population
- [Georgia Center for Child Advocacy](#) – Champions the needs of abused children
- [HOPE Atlanta](#) – Provides services to the high-risk population facing crisis
- [Nicholas House](#) – The only homeless shelter in Atlanta that takes in families of all sizes
- [Senior Connections](#) – Provides home and community-based care to maximize elderly independence

Voting closes on August 17.

### **About PC Construction**

PC Construction offers general contracting, construction management and design-build services to private companies and public entities of all sizes. The company manages projects along the east coast and in the southeastern United States from its headquarters in Vermont and a network of locations in Florida, Georgia, Maine, New Hampshire, New York and North Carolina. A construction industry leader for nearly 60 years, PC Construction is guided to success by its nearly 1,200 dedicated employee-owners.

The company is currently underway on two large water supply program projects in the Atlanta area. The Atlanta Water Supply Program will increase Atlanta’s emergency raw water reserve from three days to more than 30 days and the Richland Creek Water Supply Program will eliminate Paulding County’s dependence on outside water sources to provide a reliable source of drinking water.
